NAVY SEABEE FOUNDATION

2024 ANNUAL REPORT

Building a “Can Do” Legacy
Through Education,
Heritage and Community.
Honor the Past, Build the Future.

OUR MISSION

The Navy Seabee Foundation seeks to preserve and protect the history and legacy of the U.S. Navy Seabees and the U.S. Navy Civil Engineer Corps. We achieve this by granting scholarships to deserving family members of Seabees, CEC Officers, and those who served with the Naval Construction Force. Additionally, we support the U.S. Navy Seabee Museum as well as other monuments, memorials, and other heritage sites dedicated to the U.S. Navy Seabees. Our commitment extends to supporting the well-being of current and former members of the Seabee/CEC Community and their families.

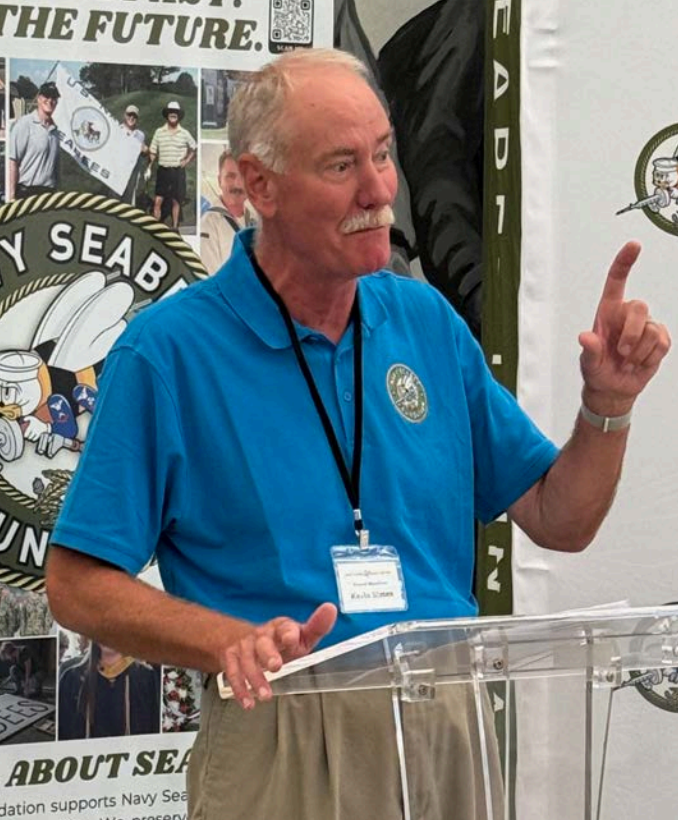
The Seabees are unique worldwide in their civilian and military contributions. Individually and as a group there are Seabee stories to be told, shared and preserved. The full story of America – its unparalleled resolve in times of war and peace, its ingenuity, its rich history and boundless future – would not be without the story of the Seabees. And the inspirational story of the Seabees cannot be fully told without the Foundation.
All that we have accomplished to date has been made possible through the support of thousands of donors of the Navy Seabee Foundation.



FROM THE CHAIRMAN

> There is no group quite like the Seabees. Our shared history and heritage is unique in the US Military and we should all be proud of the work we do together.

2024 marked an extraordinary milestone—the inaugural year of the Navy Seabee Foundation. This new organization represents the merger of the Seabee Memorial Scholarship Association and the CEC/ Seabee Historical Foundation, united with a singular mission: to serve the Seabee community and their families with greater impact.
At the beginning of the year, the Board of Directors set three ambitious goals. I'm proud to report that we've met—and even exceeded—each of them:

1. Continue the Legacy of Service
We preserved and expanded the work of our predecessor organizations. In 2024, we awarded a record-breaking $600,000 in scholarships to over 200 children and grandchildren of Naval Construction Force veterans. We also granted more than $100,000 to the U.S. Navy Seabee Museum, supporting exhibits, educational programs, and outreach efforts.

2. Operate More Efficiently and Effectively
Merging the two organizations has allowed us to streamline operations, eliminating duplicate costs in areas like accounting and audits. Our unified staff is singularly focused. We've unified our messaging and communications, now offering easier access to resources through a single website: www.seabee.org.

3. Expand Support for the Seabee Community
Beyond scholarships and museum support, we now fund Battalion Family Readiness Groups to aid active-duty Seabees and their families, as well as the All Seabee Reunions to celebrate our retired members. Our website has become a centralized hub for community news, Seabee information, events, and photos—updated nearly every day.
We've made tremendous progress in just one year, and none of this would be possible without the generous support of our individual donors, foundations, and corporate partners. To each of you, I say thank you.

The future is bright for the Navy Seabee Foundation. As we continue to grow, we remain guided by one clear principle: **"It's all about the Seabees."**

With gratitude,

THE MOREELL SOCIETY

The Moreell Society is named after ADM Ben Moreell, Chief of the Bureau of Yards and Docks during the most challenging period in the history of the Navy and Civil Engineer Corps — World War II. Through his personal initiative, an effective Naval Construction Force, the Seabees, was created and the power to command this force was given to Civil Engineer Corps officers. Admiral Moreell was one of the founders of the Seabee Memorial Scholarship Association. All Donors who make, or have made, a planned gift to the Navy Seabee Foundation or to our predecessor organizations, the Seabee Memorial Scholarship Association and the CEC/Seabee Historical Foundation are automatically members of the Moreell Society. To learn more, go to seabee.org/planned-giving/moreell-society.

In 2024, the Seabee Foundation began providing grants to Family Readiness Groups (FRGs) to support Seabee families during deployments and homeport rotations. The Foundation also helps fund Seabee reunions, including the annual All-Seabee Reunion in Gulfport, preserving connections and honoring shared service.
